

# Reconnecting Neighborhoods Community Questionnaire

Reconnecting Neighborhoods is a project to learn more about how bus and train service, shopping options, and other neighborhood resources can be improved in three Chicago neighborhoods. Please let us know how you get around Chicago and your neighborhood – the information you provide will be used to explain your community’s transportation and development needs in reports and on the website: [www.reconnectingneighborhoods.org](http://www.reconnectingneighborhoods.org). Individual responses will be anonymous.
